A GROUP of green-fingered enthusiasts who have saved a secret garden for the community are reminding people they need support to secure much-needed lottery funding.

The Bohemia Walled Garden will go head to head with a project in Kent for a People's Millions phone vote on the ITV Meridian news on Tuesday (November 23).

There will be a short film about the garden shown during the 6pm programme and then viewers will be asked to vote for the one they think is most deserving of £50,000.

Bob Hart, from The the Bohemia Walled Garden Association (BWGA), said: "The walled garden is in desperate need of restoration. With your vote, we can win the funds to restore this community space."

A phone number will be announced during the broadcast and it will also be posted on the BWGA website at www.bohemiawga.weebly.com. Voting takes place between 9am and midnight on Tuesday.
